TO MAINTAIN THE BASIC PRINCIPLES EXPRESSED IN OUR SCHOOL PLEDGE, WE, THE CLASS OF 1947, DEDICATE THIS ANNUAL BECAUSE WE BELIEVE THAT BY PRACTICING THESE PRINCIPLES WE CAN, AND WE WILL, DO OUR PART TO BRING ABOUT THE CHERISHED DESIRE OF THE WORLD, INTERNATIONAL AND LASTING PEACE.

-oreword

WORLD PEACE, ours to covet and to value, can be preserved only through international understanding and cooperation. We were united in war; we must be united in peace.

PEACE is the aim of all nations of the world. The United Nations

Organization hopes to achieve for all the world those freedoms

which we of the United States cherish but which cannot exist

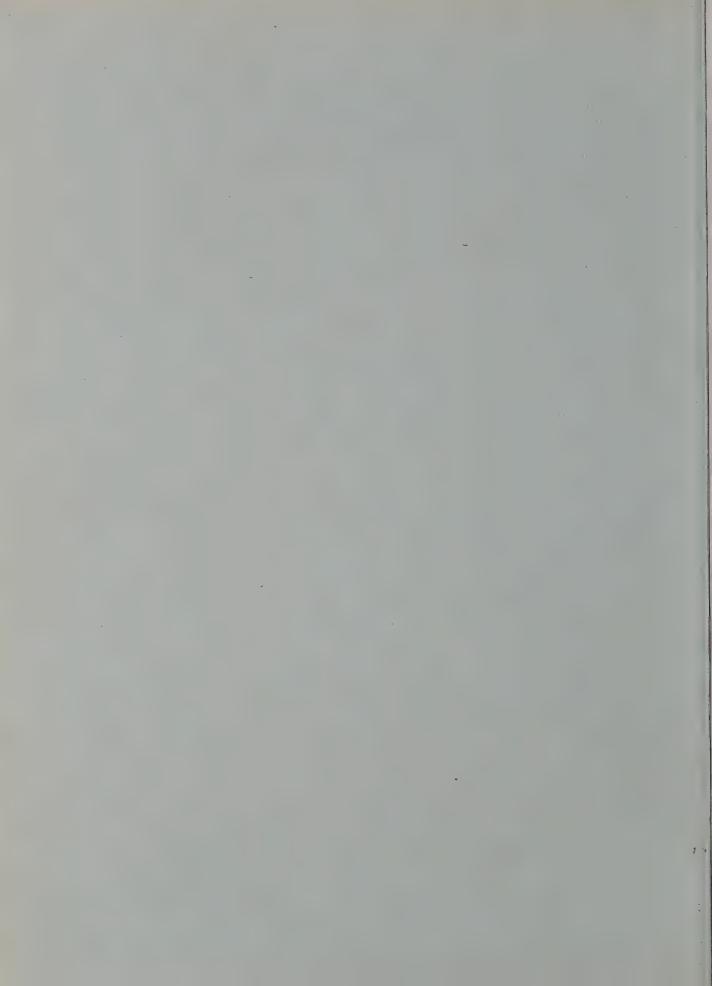

except in time of peace. Upon the shoulders of the youth of today, the leaders of tomorrow, rests the responsibility of safeguarding this heritage. May we, the members of the Class of 1947,

make a real contribution toward the achievement of this goal

of all nations—everlasting world peace.

Miss Susanna Farley

THROUGHOUT OUR THREE YEARS SHE HAS LED US, INSPIRED US, AND GUIDED US. FOR THIS WE, THE CLASS OF 1947, ARE SINCERELY GRATEFUL AND WISH TO EXPRESS OUR DEEP APPRECIATION.

ALMA MATER

To the high ideals that thou hast called us

We pledge allegiance strong and true;

And own a love that e'er will deepen,

Thomas Jefferson, for you.

And as we look into the future,

Whate'er our destinies may be,

O, Alma Mater, we will cherish

Fond memories of thee.

We love thy teachings and traditions,
The things no books can ever give,
For thou hast shown a deeper meaning,
Thou hast taught us how to live;
And we are glad to be thy children,
To toast thy future worth and fame,
So sing we now to Thomas Jefferson,
God's blessing on thy name.

We stand before you,
Young and alive ...
Facing the future;
Our eyes are unclouded,
Undimmed by fear,
Filled with hope and pride ...
And ambition.

We are not unaware
Of the thorns and the stones
In our path
That would serve to hinder our way.
We are prepared to meet them...
Overcome them...
And dauntlessly reach our goal.

The future is bright, yet uncertain-Yesterday is but today's memory, And tomorrow is today's dream-We have many dreams To be realized; It is for their fulfillment that we are working; It is for that end, we strive.

We are to sail upon the sea of life. A ship without a rudder may wander, Aimlessly, Among perilous isles, Yet sink not to the bottom. But we have our course, our purpose; We have our rudder-knowledge.

Each seeking his own goal.
Individually we walk
Toward our own goal—
Firmly, and with bold steps.

We stand at the brink of tomorrow,

We have endeavored to learn,
To drink of that wisdom and
knowledge
Which they our togehors impo

Which they, our teachers, impart:
The alphabet and the multiplication table,

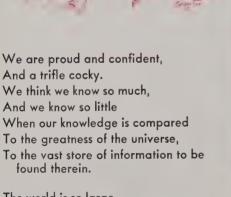

English grammar and history dates, Latin translations, impossible sums— These are a part of our lives.

We have learned and absorbed In our beings
More than we realize,
But we have much more to learn—
Much more to experience.
We have lived but a little while;
There is much we do not understand.

The world is so large, And we are so small; But we are not unimportant. Our spheres of influence, Small though they may be, Are not without value. Their ultimate result, their final effect, May be great.

We are proud and confident,

We think we know so much, And we know so little

To the greatness of the universe,

And a trifle cocky.

"No man is an island entire of its self,
Every man is a piece of the
Continent,
A part of the main."
Throughout our years at school
We have formed many friendships—
Some temporary, some lasting—
But each is a link in the chain of our
lives.

There are many clubs at school,
Committees and organizations, too;
In these we have taken part.
By our service we have helped
others...
And ourselves, for
We have, by our association with our
classmates,
Learned much about teamwork

And cooperation.

In the world, Where we now step to take our places, There is all too little teamwork.

A great war has been won—
Certain forces of evil have been crushed-But war threatens to rear is ugly, menacing head Again.

In our classes, in our clubs We have talked of This troubled world of ours
And the problems that exist in it today.
The beautiful glow of peace
Is being darkened, Blotted out, By fateful talk of the gathering clouds Of war.

"It is for us, the living," To resolve that "these dead Shall not have died in vain." President Lincoln realized that ... Many wars ago. We today must strive as never before To keep on this earth A government of, for, and by the people.
For that cause they have died;
For that cause we must live.

The first president of these United States Believed that military strength, Preparedness for war, was the best Means for maintaining peace. Today we are trained for war-But, more than that-We are schooled for peace.

Above us there flies a flag,
A glorious tri-color banner
Of red, white, and blue.
There are thirteen stripes
(The thirteen original colonies)
And forty-eight stars
(The forty-eight states)—
A dramatic symbol of our nation's unity.

There is an eagle on our crest,
A mighty eagle,
Not lustful like the Roman eagle, but
majestic.
In his beak there is a banner:

"E pluribus unum" . . . "Out of many, one."
In his left claw there are thirteen

arrows;
In his right claw an olive branch,
An emblem of strength and unity...

And peace.

On the athletic field,
As well as in the classroom,
We have learned the value of
Honesty and fair play,
Teamwork and cooperation.
We needed these traits as high school students;
As world citizens we must have them.

We must keep this world free—
That is our duty.
We must protect our sacred heritage.
Let there be contests between
nations...

But let them be held on athletic fields, Not battle grounds.

Let the air vibrate with joyous shouts, Not pulsate with groans of mortal anguish.

BOARD OF COORDINATION

Through the Board of Coordination, better known as the B.O.C., representatives of the various extra-curricular organizations and their sponsors work together for the good of the whole school. At the beginning of each term the Board draws up a calendar of events, providing a varied and smoothly running program, avoiding any major conflicts in the dates for dances, plays, games, and other activities. From time to time, members of the faculty and student body appear before the Board to suggest a new activity, to present a problem to be solved, or to propose a change which will benefit the school. The students on the Board learn to discuss their problems freely and to act upon suggestions or refer them to the proper authorities. If it were not for the Board and its lengthy Tuesday meetings, the school could not and would not run as smoothly as it does.

THE SENATE

Long before school starts each September, the Senators are busy making plans for student activities. The Senate is composed of twenty-one members: the four S.P. officers, the six class presidents, and eleven other senators elected by the students for their ability and leadership. This group meets in the Tower room during the fourth period every day for activities, conferences, and discussions. • With Miss Esther Singleton as sponsor, this year's Senate has engaged in many activities, such as assisting with reorganization at the beginning of each term and organizing and directing the numerous

student committees. • When the State Convention of the Student Cooperative Associations met here in November, the senators served as hosts and hostesses and sponsored a banquet and a dance for the entertainment of the delegates. • Tee-Jay has become known throughout the state for its splendid student organization.

HOUSE OF REPRESENTATIVES

Feeling as solemn and important as Congressmen entering the Capitol, the members of the House of Representatives take their respective places in Room 218 every other Monday for their important meeting. Promptly at 3:15 the fifty-nine representatives, with the Vice-president of the Student Participation as their chairman, settle down to work out the various student problems. Each representative brings before the House the ideas, suggestions, and criticisms of his homeroom. These are duly considered and many times acted upon by the governing body. Thus each student has a voice in his school activities, a democracy within itself. After the meeting is adjourned, each representative tucks his House notebook under his arm and leaves, full of ideas and suggestions to take back to the homerooms. • The representatives are called upon to do many other things as well. They strive to interest the students and to serve their school on the various committees of Student Participation. • On November 1 and 2, 1946, the House members served on committees for the convention of the Student Co-operative Association.

THE CHARACTER COMMITTEE

This committee was organized three years ago by a girl and boy who realized that high school students will soon be the citizens of our country, and that America's future depends on them. The purpose of the Character Committee is to help the students to realize that everything that they do affects the country in some way or another, and each individual is needed to establish a lasting peace. • Each home room sends a representative to the Character Committee to discuss problems and exchange ideas. A steering committee, headed by the senate chairman, works with the sponsor to plan activities and programs. It is the responsibility of each representative to see that the programs are presented in the homeroom in the most effective manner. He may use skits and quizzes, conduct discussions, or employ any other interesting methods of bringing a new spirit into the home room. • Assembly programs sponsored by the committee are planned with the greatest care. Speakers must be exceptionally well qualified to interest and impress the average high school student.

THE HONOR STUDY CHAIRMEN

Organized as a further step in self government, the Honor Study Chairmen for twelve years have taken charge of the various honor study halls as student directors. In seven rooms these sixteen boys and girls keep silence throughout the period, permit students to go to the library, sign O.K.'s, and see that the members observe the pledge of the honor study. The students at Thomas Jefferson consider it an honor to be in an honor study. After a student volunteers for an honor study, he must be approved by his homeroom teacher and a former study period teacher. After a student has been in an honor study, he usually requests one each term. Honor studies help greatly in relieving the crowded conditions in regular studies and in releasing teachers from study hall duties for other school activities. This group is a great aid in advancing the cause of the student participation.

THE CAFETERIA COMMITTEE

The Cafeteria Committee, among the first established organizations under the supervision of the S-P, controls and regulates student traffic in the cafeteria during both recesses. Two teams of committee members serve fifteen-minute shifts during each lunch period, helping to keep order in lines, and a neat room in which to eat. Captains see that the various members of their groups take care of their respective duties. To identify themselves, all committee workers wear badges while serving their week of duty, which comes once every three weeks. Because the membership of this particular committee is open to all classmen, it is an excellent opportunity through which all students may support Thomas Jefferson and her working program.

THE RECREATION HALL COMMITTEE

The Recreation Hall Committee, maintaining its splendid record of former years, strives to make the Recreation Hall a pleasant place for students to spend their lunch period. The committee is organized and directed by four Senate chairmen assisted by the captains of the various shifts. The members of the committee work together to keep the room as clean and orderly as possible. There are also faculty advisers ready and willing to give assistance to anyone on the committee. This year the Senate has obtained a record player for the Recreation Hall so that the students may enjoy music while they eat their lunches and that those who wish to do so may dance. Another improvement this year is the addition of a milk and candy bar to supplement the lunches of those who eat here.

UTILITY COMMITTEES

Each period in the day, Thomas Jefferson's counselors are aided by a student on the Counselor's Aid Committee. Their duties include running errands, helping to keep files, and performing any other tasks they are asked to do. Under the direction of Miss Bryant this committee is a great help to anyone coming into contact with the counselors' office. • Another committee, composed of students who have volunteered to serve, helps the office force in many ways. The chief duties of the Office Aid Committee are to run errands, look up information concerning students, carry messages, sort mail, help the students who come in late, and do other useful work. Each member must have a study period every day during which he is willing to work in the office. • The Guidance Aid Committee, under the direction of Miss Bessie M. Motley, helps with

UTILITY COMMITTEES

the files, runs errands, meets the people who come to the Guidance Office for help, and performs other necessary tasks. • The Nurse's Aid Committee provides someone to assist the nurse in her duties each period. These girls render a real service to the school and, under the guidance of Miss Audrey Lamb, receive valuable training. This committee has three shifts and the members serve every third week. • The office force and the teachers have found the work of the Attendance Records Committee very helpful. The Daily Reports Committee assists the office force in getting a list of absent students each day by collecting the daily reports from all home rooms. Members of the Absentee Sheet Committee get the lists of absentees from the office and distribute them to all rooms in the building.

THE USHER COMMITTEE

The Usher Committee consists of eighteen boys divided into two groups. Each group is assigned to one of the two assembly periods. It is their duty to take care of the doors before, during, and after assembly programs and to keep late comers from interrupting the programs. At times they are called on to give out programs and help keep order.

THE TRAFFIC COMMITTEE

Members of the Traffic Committee leave their classes two or three minutes early and station themselves at strategic positions in the halls and on the staircases to keep the students moving at a safe rate of speed between periods. On each floor there is a rover who assists wherever he is needed or takes the place of any member who is absent. The committee has had an exceptionally successful year because of the splendid cooperation of the student body.

THE BULLETIN BOARD COMMITTEE

Visitors to the school, as well as students and teachers, are often impressed by our attractive bulletin boards. In order to provide an opportunity for everyone who volunteers to serve, the members of the committee work in shifts. Each member takes charge of one bulletin board for a week at a time and is responsible for keeping it neat, attractive, and up-to-date. Some of the more talented members of the committee make attractive and timely posters for special occasions.

THE RECEPTION DESK COMMITTEE

When a visitor enters Thomas Jefferson, he first comes in contact with an attractive hostess on duty at the reception desk. Besides being capable of giving directions, the girls on the Reception Desk Committee must also give information and sometimes escort a visitor to his destination in the building. This year the aid of the receptionists was a great help at the statewide Student Cooperative Association Convention.

THE LIBRARY COMMITTEE

All students of Thomas Jefferson who are interested are eligible for membership on the Library Committee. This committee consists of twenty-six students who work in the library every other week, two for every period, and have their regular study period during the alternate week. In addition, two members work during homeroom period and a few work after school. The duties are to collect a library slip from each person who enters the library, see that each slip is properly filled out, and prevent any student from leaving before the end of the period. There are no regular meetings, but occasionally meetings are called to discuss various problems concerning the work of the committee. Under the sponsorship of Miss Goodwyn and Mrs. Young, the committee functions quietly and smoothly, thus helping to establish the proper atmosphere for reference work and study.

THE LIBRARY STAFF

The regular duties of the sixteen juniors and seniors who make up the Library Staff include mending books, preparing books and magazines for circulation, shelving books, and working at the desk. The person at the desk not only receives and slips books, but also stamps library passes and takes them to the office. The present special project of the Staff is making an index of the short stories in the library by arranging them in alphabetical order according to authors. At the end of this term, the Staff hopes to have it ready for use by anyone who wishes to look for a short story by any desired author. The library is a very busy and a happy place in which to spend either five minutes or five hours.

LABORATORY ASSISTANTS

It is a combination of fun and work to be a chemistry or biology laboratory assistant. Between helping the teacher and keeping the stock rooms orderly, one has plenty of time to examine plaster jaws and learn the intricacies of bandaging a burned finger. To be chosen as a laboratory assistant one must have an interest in science, a good character, high scholarship, dependability, and the willingness to shoulder responsibility. The biology assistant helps the teacher whenever necessary, distributing and collecting the material during the period. The chemistry assistant unlocks the desks in the laboratory at the beginning of the period, and locks them at the end. He helps the teacher get chemicals and has charge of the stock. To do all this, one study period a day is required.

THE MESSENGER COMMITTEE

First Row: Skippy Scott, Natalie Shreiber, Carol Blum, Joan Perlin, Anne Beazley, Anne Baldwin.

Second Row: Jackie Mocha, Tom Pollard, Claire Carlton, Bettie Terrell, Nancy Carden, Jean Dawson.

THE MESSENGER COMMITTEE

Students who serve on the Messenger Committee get to school early each morning and come up to the Tower Room to get the notices from the various branches of the Student Participation Association and deliver them to students throughout the school before the first period begins. • The messengers work in shifts a week at a time, but on days when there are many messages all the members help to distribute them.

THE CLUB AFFILIATIONS COMMITTEE

The Club Affiliations Committee, composed of representatives from all clubs at Tee-Jay, regulates the time and place of meetings, exchanges constructive ideas for programs, helps organize new clubs, attempts to increase membership in the smaller clubs, and promotes interest in them. With Miss Esther Singleton as sponsor, this committee has helped organize four new clubs during the past year. The Senate chairman represents this group in the B.O.C. and a member from the committee has a seat in the House of Representatives in order to keep the home rooms advised as to the activities of the clubs and to keep the clubs informed about all school projects and drives.

THE NATIONAL HONOR SOCIETY

To become a member of the Thomas Jefferson Chapter of the National Honor Society, a student must show outstanding qualities of character, scholarship, leadership, and service. The projects of the Society are coaching fellow students who need help in their work, taking charge of classes in the absence of teachers, and helping newcomers to the school become acquainted. Under the able sponsorship of Miss Henna and Miss Hargrove, much valuable service has been rendered the school. Membership is entirely voluntary and open to seniors only.

QUILL AND SCROLL

The goal of all journalistic students is to obtain membership in the Quill and Scroll. The aim of its members, who are chosen for outstanding work on either the literary or business staffs of the school publications, "The Monticello," "The Jeffersonian," or "The Declaration," is to promote a high literary standard by observing the seven aims of the society, Truth, Loyalty, Enlightenment, Opportunity, Initiative, Leadership, Friendship. The project of the Quill and Scroll this year has been to give a radio program once a month to acquaint students with the publications and the work of the Quill and Scroll.

NATIONAL THESPIAN SOCIETY

Membership in the National Thespian Society is an honor that all students of the drama desire. The aims of the society are two-fold: (1) to establish and advance standards of excellence in all phases of dramatic arts, and (2) to create an active and intelligent interest in dramatic arts among boys and girls in the high schools. • One must do outstanding work in a number of plays, either by acting or doing back stage work, and must be recommended by the sponsor, Mrs. Kritzer. One may earn additional recognition for outstanding work in dramatic arts after he has attained Thespian membership. Such recognition is indicated by a star for each additional ten points earned by the student on a Point System basis.

THE DECLARATION

Since 1939 the creative writing class of Thomas Jefferson has semi-annually published a literary magazine, "The Declaration," containing short stories, essays, poems, and book reviews contributed by members of the class, members of other English classes, and the alumni. The class, a special one in senior English, studies the art of writing under the direction of Miss Azile Berry. As they progress from poetry, to essays, to short stories, they write for the magazine and try through the English teachers of the school to encourage other students to do the same. However, literary material alone will not publish the Declaration. Since it is self-supporting, advertisements and subscriptions are needed as revenue. This part of the magazine is under the direction of Miss Nancy Gary. Through Miss Gary the number of advertisements has increased greatly, and the magazine has been improved and enlarged. This year the classes have tried even harder to publish better magazines. The Declaration now stands as one of the traditions of the school. It has progressed from a few mimeographed sheets of paper to a large magazine representing the literary efforts of the school.

THE JEFFERSONIAN

In its sixteenth year of publication, "The Jeffersonian" continued to try to keep the students well informed about the news around the school. With the assistance of the adviser, Miss Mayo Provence, the staff worked hard to publish straightforward news and sports stories, timely editorials, and amusing features. • Besides the staff, consisting of editors, columnists, reporters, photographers, and typists, who work in the staff rooms during fifth and sixth periods, other contributors were cub reporters, who were sophomores interested in staff work. Although these did not write, they covered homeroom beats and reported any news to staff members, who wrote the story for the

paper. For the first time members of the journalism class were given beats also. Sometimes especially good articles by any of this class were published. • In an effort to please the readers of "The Jeffersonian" a poll was conducted to determine what types of articles were preferred. • The Scholastic Roto (an eight-page pictorial magazine showing what students in schools all over the United States are doing) was inserted in the paper this year. • "The Jeffersonian" belongs to three national press associations and has usually been given high ratings by all of them.

JEFFERSONIAN BUSINESS STAFF

The Business Staff of "The Jeffersonian" is composed of three groups, circulation, exchange, and advertising. • The circulation staff directs the solciting of subscriptions and distribution of the paper throughout the school. Eighty-five percent of the students have term subscriptions and the average circulation is 1850. In addition, it mails out about 150 copies to school board members, alumni, and advertisers. This year subscriptions from cadets were taken in the companies by the first lieutenants. As a result of this drive, 92 percent subscribed for the term. "F" Company led in the competition with 100 percent. • The exchange editors trade papers with about fifty high schools throughout the United States and the territory of Hawaii. They write a column in "The Jeffersonian" containing bits of information found in these papers. • The advertising staff sells ads for the space allotted them, draws up new copy, and lays out the dummy for each issue. Every other Tuesday they meet to discuss, criticize, and try to improve the paper. All these staffs function under the able leadership of Miss Muriel Sanders, the faculty adviser.

JEFFERSONIAN LIEUTENANTS

"The Jeffersonian" lieutenant is the representative from the circulation staff in each homeroom. His duty is to sell the paper to the students in his room, to keep accurate records of sales, and to distribute the paper on each publication date. If he is able to sell as many copies in his room as there are students on roll, he wins for his room a 100%-for-term banner. Twenty-four of the fifty-nine lieutenants won these banners by October 4th, the date of the first issue. • "The Jeffersonian" has received many honors during this year. In an annual contest sponsored by the Columbia Scholastic Press Association, it won, for the second consecutive year, the Medalist award, scoring 960 points out of a possible 1,000. Each semester it has received All-American rating from the National Scholastic Press Association. In the latest contest it scored 925 out of 1,000 points. At a recent meeting of the Southern Interscholastic Press Association held at Washington and Lee University, it was announced that this publication had won a first-place award. Delegates from the literary and business staffs attended this convention.

MONTICELLO LITERARY STAFF

The literary staff of "The Monticello" strives to put out each year an annual that will stand as an example of life at Tee-Jay. • This group collects pictures and facts, writes up student activities, and designs the pages of the annual. • The annual must be edited in such a way as to represent every phase of school life from faculty and classes, to athletics and clubs. • The staff takes much pride in its work and endeavors each year to surpass the work of its predecessor. Last year the "Monticello" received Medalist Rating from the Columbia Press and First Honor Rating from the National Press Association. When the Southern Interscholastic Press Association met in Lexington, Virginia, this year, the 1946 "Monticello" was the trophy winner for the first class group. • The annual endeavors to be an open door of Thomas Jefferson.

MONTICELLO BUSINESS STAFF

With its aim to collect the necessary amount of money needed to publish the annual, "The Monticello" Business Staff, under the guidance of Miss M. Frances Gray, works long and hard through the entire year. Each Friday during the fourth period meetings are held in room 107 to direct the works of the members. This work begins at the very start when advertisements are assigned and the members begin soliciting them. Then the seniors' names are collected and picture appointments distributed. At this time arrangements are made for pictures to be taken of the clubs and other two classes. Next the drive for the sale of annuals begins. Members go into every home room in school to obtain subscriptions. Arrangements are also made by them to mail annuals to those people leaving school before June. Then advertising proof is returned to the Staff from the printers to be checked by the advertiser. When this proof is back again at the printers, the members have a short while to breathe. Finally, the end comes. "The Monticello" is distributed, and a banquet is held for the new and old members of both staffs. At this banquet, the members forget the work they have done in the past year, and remember only the pleasure and satisfaction derived.

THE GLEE CLUB

The Glee Club is a group of about sixty boys and girls who meet during the fourth period and gain musical knowledge through singing. Under the capable leadership of Mr. B. Charles Williams, the group has presented several outstanding programs this year, and assisted in the Thanksgiving and Christmas Services. Much pleasure has been experienced through the friendly relationship in the club. • Public service has included programs given at McGuire Hospital and Camp Lee.

GIRLS' GLEE CLUB

The Girls' Glee Club, under the direction of Mr. Charles Williams, meets every day at the second period in Room 218. The purpose of this organization is to give entertainment to others and prepare and train the girls' voices for college Glee Clubs and other musical groups. The group learns a lot about music and how to read notes. Another purpose of the club is to study famous composers and learn to appreciate their great compositions. Trips are taken to army camps and hospitals. The club gives Christmas and Easter programs for the entertainment of our school.

THE ORCHESTRA

During the war years the Orchestra contributed more and more to its school and city. This year, conducted by Mr. Frank Wendt, it gave assembly programs and played for the Richmond Area Community Chest, the Student Cooperative Association Convention, and McGuire General Hospital, and also participated in a concert at the W.R.V.A. Theater. The climax of the year's activities was reached on the night when the Orchestra presented its Annual Spring Concert, at which the more difficult music was performed. • Talented instrumentalists will find that they can gain good experience by playing with the Orchestra. Those members who are more advanced in their study of music are given the honor of participating in the State String Clinic where they have the thrill of playing in a large symphony orchestra composed entirely of high school students.

ORCHESTRA MEMBERS: First Violins: Ernestine Briesmeister, Concert Mistress, Secretary; Nancy Howison, Vice-President; Barbara Broome, Cecil Bailey, Marilyn Shirey, Bertha Cosby. Flutes: Marjorie Simpson, Laura Dial, Janet Johnston, Mary Jane Creath. Oboe: Fred Kraus. Clarinets: Barbara Martin, Betty White, Harvey Jones, William Murray, Jean Hawkins, Barbara Griggs, Theresa Ives. Trumpets: Fulton Lee, Jr., John Kloss, Frieda Voelcker. French Horns: Bill Williams, Louis Armstrong, John Womack, Harry Skaggs. Trombones: Bill McLaughlin, Lloyd Carpenter. Tuba: Ed Wyatt. Percussion: Charles Hall, Harold Smith, Bruce Winters. Saxes: James Crummett.

THE JEFF CLEFF CLUB

In its purpose of building and maintaining an interest in music, both classical and popular, the Jeff Cleff Club has programs which include not only the history and development of music, but also the individual works of outstanding composers. The techniques and expressions of the pieces are discussed. The club is fortunate in having outside artists to appear and often has programs on modern composers and the music of various nations. One of the most enjoyable programs of the club was devoted to the talent of its members. It is the hope of the Jeff Cleff Club that a greater interest and appreciation of good music of all kinds and times will be awakened in students.

THE SPANISH CLUB

The Spanish Club, which is composed of students interested in the Spanish language and culture, does not limit its membership only to students in the Spanish classes. It meets on the second and fourth Tuesday of every month. Under the leadership of Mrs. Dorothy Corprew, the club has had several meetings of musical programs, Spanish games and parties, and speakers who have lived in the Latin American Countries. Once a year, with the French and Spanish Clubs of John Marshall, this organization sponsors a banquet which promotes a feeling of fellowship and clearer understanding between the language departments of the two schools.

MATHEMATICS CLUB

The Mathematics Club is made up of students who have completed geometry 2 and who wish to discuss interesting facts about mathematics. It meets twice a month, at which time members learn how to use the slide rule and transit. At times some members bring in mathematical tricks and puzzles, and occasionally guest speakers are invited or trips are taken in order to see demonstrated practical applications of high school and college mathematics in industry.

The Latin Club, "Amici Latinae," whose motto is "Pergiti et Pergarite," meets every other Monday in 107 during the fifth period. The members are the students of the third year Latin class, and their sponsor is Miss Frances Gray. Interesting programs, such as talks on outstanding Romans and mythology are presented under the supervision of the vice-president. These programs develop interest in the Romans and their customs.

The Thomas Jefferson Book Club, under the sponsorship of Miss Lucy Henderson of the English Department, was organized for those students who are interested in reading. The purpose of this club is to increase enjoyment of reading through the discussion of old and new books. The club further accomplishes this purpose by book reviews, discussions of authors, quizzes, records of famous books and lectures. Any student meeting the approval of the group and showing an interest in books may join. Book Club meetings are held every Friday during home room period in Room 408.

THE FORUM CLUB

The Forum Club meets after school on the first and the third Wednesday of each month. Its members present talks and have discussions on city, state, national, and international problems. Often a distinguished outside authority is invited to speak. • Each term the Forum presents an assembly program. This year Mr. Stirling King spoke to the entire student body about the November elections and the city Charter. • Occasionally the members of this club journey to places of interest in Richmond and Virginia. The Forum affords an opportunity for those who wish to express their opinions on current problems to do so.

TEE-JAY DISTRIBUTOR'S CLUB

The purpose of the Distributor's Club is to provide the club members with a means of learning the vocational opportunities in the field of distribution and of the relationship significance of these to community life. Regular meetings are held twice each month during the school year at class time. People who hold prominent places in businesses of retailing are invited to speak at the business meetings. The club takes field trips to local retail stores and has social gatherings. All members work in local stores and receive training at school.

COMMERCIAL CLUB

The Commercial Club, sponsored by Miss Helen Botto, is one of the oldest clubs at Thomas Jefferson. It was organized to familiarize its members with aspects of the business world. There are two meetings a month, one for business and one for program, consisting of speeches by prominent business leaders. The latter meeting is followed by a field trip to the firm which the speaker represents.

JUNIOR RED CROSS

Helping to supply the needs of the post-war world has kept the Junior Red Cross working harder than ever to do its part this year. In addition to its annual Roll Call, in which contributions were very generous, the Junior Red Cross has sent boxes to war orphans overseas. Also, it aided in providing Christmas stockings and favors for hospitalized service men. The opportunity to lend a helping hand to those about us provided the Council with continuous activity. Thus, the twenty-one councilors and fifty-seven representatives of the Junior Red Cross lead the student body in doing its part now to mould a happier world for the future.

Y-TEENS

The Y-Teens are members of clubs sponsored by the Young Women's Christian Association. At Tee Jay they are organized into two triangles. Y-Teens believe that youth has a real part to play in the world today and so they have had discussions on the problems of other races and peoples of the world. They sponsored service projects at Christmas and Easter. Because Y-Teens are interested in developing and understanding themselves, they have had discussions on clothes, charm, personality, and boy and girl relations. They like to have fun, too, and included in their program dances, parties, and bowling. • Miss Louise Sanford is sponsor of Triangle 1 and Miss Winifred Hambleton is sponsor of Triangle II. Miss Elizabeth Cromwell, Director for Teen-Age Program at the YWCA, also helps with both chapters.

TEE JAY HI-Y · CHAPTER I

Hi-Y Chapter I started the 1946 season with only five old members but inducted twenty new ones. The Hi-Y is sponsored by the Central YMCA, where the weekly meetings are held every Monday night. The first social event was the annual Victory Dance after the T.J.-J.M. game. Part of the money earned from the dance was donated to several charity funds and the rest was spent on an outing and a few other club activities. The Hi-Y members feel that the pledge, "To create, maintain, and extend throughout the school and community high standards of Christian character" has indeed been fulfilled through their aid to the school.

TEE-JAY HI-Y · CHAPTER II

The Thomas Jefferson Hi-Y Club, Chapter II, is a boys' club sponsored by the YMCA for a voluntary group of the Tee-Jay boys. • The purpose of this club is "to create, maintain, and extend throughout the school and community high standards of Christian character." To help the boys develop themselves in all these standards is the club's principal aim. • During the past year the club has contributed from its treasury to many charitable organizations and funds. It has tried to help make Tee-Jay a better school by sponsoring assemblies to attempt to remedy the faults of the boys at Tee-Jay and by serving on various committees throughout the school. It has given a public dance, provided social and athletic recreation for its members, and also sponsored a team in the YMCA Senior Boys' Basketball League.

JUNIOR CLASSICAL LEAGUE

The members of the Junior Classical League covenant to hand on the torch of classical civilization in the modern world. They believe an acquaintance with the civilization of Greece and Rome will help them understand and appraise this world of today which is indebted to ancient civilization in its governments, laws, literatures, languages, and arts. "Scientia Est Potentia" (Knowledge Is Power), the motto of the group, suggests that a knowledge of classics is a feeling of educational power.

SCIENCE CLUB

Because of the war the Science Club was discontinued, but it has been reorganized under the sponsorship of Mr. L. W. Jarman. The purpose of the club, which meets every other Tuesday, is to give the students a better understanding of the marvels of science through lectures and demonstrations by members of the club and prominent men of science.

THE CADET CORPS

Since Catlin E. Tyler, who holds the rank of Colonel in the Military Intelligence Reserve, took over the responsibility of directing the Thomas Jefferson Corps in September, 1946, the Corps has progressed rapidly. Colonel Tyler has a likable personality and has won many friends through his contact with students in his English classes as well as through his direction of the Corps. From all angles he has proved himself worthy of the position he holds.

Upon arriving at T. J., Colonel Tyler decided that "Leadership" would be the main objective of the Corps. Accordingly, some new rules were put into effect. In order to stress the many qualities of leadership of cadets in every phase of school life, every officer had to pass all his academic work to retain a rank. Cadets who had more than three years' service in the Corps were given a newly established rank of Warrant Officer. This made available many positions of importance and gave more cadets a chance to become officers. The penalty system was revised in order to instill more military discipline. All Cadets were allowed five military demerits per month but were required to drill off all in excess of five at the rate of one every half hour. The wearing of insignia not conforming to U. S. Army or ROTC was discontinued.

Corps spirit and morale was materially heightened by the establishment of the Intramural Basketball League. Mr. Edward Beauvais directed this undertaking and secured the Hill gymnasium for weekly games. The West Richmond Business Men's Association offered a handsome trophy which was won, after many spirited games, by the Band.

The rifle team had a successful season under the leadership of Jack Sanders, using the Mosque rifle range with the approval of the Police Department. Under the guidance of the YMCA, the cadets had classes every Monday in swimming, life saving, etc., in the Mosque pool.

Many courses of military study were instituted to conform as nearly as possible to the War Department's Training Program for Junior ROTC. Captains of companies taught the subjects to their men. Other preparations were also made for the Government Inspection of May 2, 1947.

The semi-annual competitive drill was held in the Grays' Armory in January, with Company C winning. A battle more spirited than that of the competitive drill has been that of winning the Efficiency Cup.

On 12 December, 1946, the cadets went into overcoats officially for the first time. Through the generosity of the citizens of Richmond and the diligent work of the cadets, enough money was collected during the spring of 1946 to enable the committee to purchase overcoats for all cadets in Richmond Public Schools. A parade was held in March by all four corps to show their appreciation to the public.

On the social side, various company meetings, parties, and outings were held. The main events were the two cadet hops which were begun by beautiful figures formed by the officers and their ladies. Mr. Harry Woody, the Corps' sponsor, worked many long hours in making these figures mathematically perfect, and all agreed that they were the finest ever put on.

The Corps kept its high place in the eyes of the public by attending church as a body. Lee's birthday, falling on Sunday in 1947, was chosen as the date, and so successful was the event that it has been made an annual occasion, attendance being on the Sunday nearest the 19th. The Corps also participated in six parades during the year, the most important ones being the Oakwood and Hollywood Memorial parades.

TO OUR COACHES AND ADVISERS

Before recording the results of our athletic events for the year 1946-47, we wish to pay tribute to those who aided us in attaining the degree of success which we have won. It was from our athletic coaches and advisers that we learned good sportsmanship; it was to them that we looked for encouragement when all was not going well. For their understanding and for their patient instruction and guidance, we wish to express our sincere appreciation.

JEFFS TOP JOHN MARSHALL FOURTH CONSECUTIVE TIME

Thomas Jefferson's Varsity Squad of 1946 finished a fair season with a record of three wins, one tie, and six losses. The high point of the year was, of course, the fourth consecutive defeat of John Marshall. Coaches Carmack and Gonda gradually built the team to an effective unit, although they started out with inexperienced material. • The first game of the season was the tie with Alexandria of 6 to 6. The wins were very few compared to the wins of the 1945 Varsity Squad. Two of the victories were of utmost importance and we were all glad to see the team win. We defeated John Marshall 6 to 0 and downed St. Christopher 24 to 0. Both of the games were thrill-packed and full of excitement. The team was overcome by the Benedictine Eleven by the score of 6 to 0 and thus lost the City Championship. The other games that we lost were inevitable. All of the boys gave some excellent ex-

WALLACE LEADS SCORING

Caleb Wallace, 138-pound halfback, was the high-scorer of the season with three touchdowns in the Roanoke game and shared honors with George Chumbley, Norman Scott, and Sidney Lee in the St. Christopher game. This half-pint of the backfield will be back next year to help run up the score for Coach Carmack and his crew.

JUNIOR FOOTBALL, 1946

The Junior Squad of 1946 played only three games and lost all three of them. On November 8, T.-J. lost to John Marshall by the score of 26 to 6. Later the team played Hopewell here at school and lost to their squad by 20 to 7, and later played them again at Hopewell and there the score was the same as before, 20 to 7. The Juniors played "Class B" teams. The Squad was under the excellent guidance of Coach Welton (Spud) Bloxsom. • The Squad was constituted of the following boys:

ENDS: Nick Smither, Ranny Wall, Ed. Moore, Russell Goode, Kenneth Ramsey, Wilmer Osburne. TACKLES: Jim Buck, Jack Pugh, Billy Breese, Ben Glass, George Bradley, Ed Baroody, George McGraw, Sam Meyer. GUARDS: Billy Bowen, Broadnax Haskins, Bobby Shires, David Kelley. CENTERS: Gip Richardson, Bobbie Shultz, Bob Shelburn, Leonard Parrish. WING BACKS: Bob Hayes, Russell Cheatham. FULLBACKS: Howard Phillips, Dick Moore, George Tutwiler. TAILBACKS: Hugh McConaghy, Dick Sherrod. QUARTERBACKS: John Blair, Fred Hoenniger, Bob Rosenbaum, Harry Bagnell. MANAGER: Stuart Feitig.

We hope to see many of these boys on the varsity squad next year. We wish them luck.

SOPHOMORE FOOTBALL, 1946

The 1946 Sophomore football season resulted in three wins, one tie, and one loss, amounting to a seasonal average of .700. Although this is not as good as the 1945 record of four wins, no losses and no ties, it is regarded as a highly successful one, especially in the fact that both the one loss and the tie games were later offset by T.-J. victories over both of these opponents, St. Christopher's Juniors and Highland Springs' "B". • The Sophomores scored a total of 100 points to their opponents' 31 points, scored as follows: Norman Plunkett, 25; Ed. Ketchie, 18; Everett Hobson, 13; Albert Oliver, 13; Eddie Heinz, 12; Tom Coghill, 12; Albert Ford, 6, and Dick Jones, 1. • This was by far the largest squad ever to report for Sophomore practice, and as a result, Coach Smith found it very difficult to select from them boys to be issued equipment, and he feels sure that he overlooked some good prospects in the process of choosing, for there were 78 boys out for the team. • At the closing game against St. Christopher on November 19, the following boys constituted the squad and were awarded letters:

ENDS: Bill Davis, Jack Mocha, Jabe Cooper, Ed. Ketchie, Tyler Deierhoi, Pat Hoggard. TACKLES: Taylor Scott (Capt.), Joe Hood, Dick Pace. GUARDS: Jim Dickerson, Tom Shipp, Dill Pleasants, Bobbie Hanks. CENTERS: Calvin Harris, Joe Hood, Stuart Sorg. WINGBACKS: Norman Plunkett, Tom Coghill. Fullbacks: Jim Stone, Skippy Holt, Dick Jones, Eddie Heinz. TAILBACKS: Albert Oliver, Everett Hobson. CENTERS: Albert Ford, Charlie Willis. SUBSTITUTES (no letters): Edmunds, Kimbrough, Kelley, Burns, Perry, Perkins, Mattox, Carpenter, Robertson, Knott. MANAGERS: Ronald Spindler, Roland Owen, James Crokett.

RESULTS: October 16: T. J., 6—Highland Springs "B", 12; October 23: T. J., 56—Bainbridge Junior High School, 0; October 30: T. J., 12—St. Christopher's, 12.

We hope to see many of these Sophomore players on the varsity team next year and the years to come.

Varsity Ends Season With Five Wins; One Defeat Wing Makes All-City Prep

Barbara Burnett (Varsity Manager)

Although six letter shin-crackers returned, the Tee-Jay femmes opened their hockey season by losing to St. Catherine's more experienced team 8-0. Outstanding skill was shown by Betty Sherman, who is new to the squad this year. • Recovering from the St. Catherine's setback, the team bounced into the winning column with a 1-0 victory over Collegiate. Betsy Lee made the lone tally, and the backfield helped immensely in the winning of the game. • For the first time in the history of Tee-Jay hockey, the team played Matthew Whaley, and scored a 3-0 victory. The forward line showed up exceptionally well with Charlotte Willis, Doreen Sachs, and Betsy Lee scoring. • The big red eleven scored a victory over their crosstown rivals to the tune of two goals to one, with Betsy Lee and Barbara Ashby scoring the tallies. The victory was hard earned because of the splendid work of the John Marshall defense which was not easily penetrated. • Lengthening their winning streak to four games, the first ladies of the hockey team defeated Petersburg 2-1. Scoring for Tee-Jay in this exciting game were Janet

Johnston and Charlotte Willis. • Tee-Jay's shin-crackers traveled to Williamsburg, and even though they played on a slippery field, they made four goals to Matthew Whaley's two. Barbara Ashby led the scoring with two goals, while Doreen Sachs and Betty Sherman scored one apiece. • Playing wonderful hockey, Tee-Jay overcame Petersburg 2-0, and St. Catherine's 1-0 in the high school tournament. After the tournament, it was announced that Janet Johnston, wing, made the all-prep first team, and Alma Lake, center half, Betty Sherman, inner, and Doreen Sachs, center forward, made the all-prep second team.

RESERVES HAVE SLOW SEASON

The reserves, fighting overwhelming odds, held the St. Catherine's shin-crackers to a 6-0 victory. In the second half the Tee-Jay defense stiffened and limited their opponents to one goal.

• Tee-Jay's little red team, working hard to equal their big sisters' victory over their opponent's varsity, held the Collegiate reserves to a 2-2 tie. • An inexperienced St. Gertrude's eleven was defeated by the reserves, who scored eleven goals to their two. • Although the team played good hockey, they had to be content with a 2-2 tie with Petersburg to end their season. • SOPHS: The sophomore hockey team lost its only two games to Hill by scores of 3-2 and 2-1.

JEFFS REACH SEMI-FINALS!

The 1947 Boys' Basketball Team ended the season with 12 wins to their credit against 9 defeats. Reaching the semi-finals by downing John Marshall, 38 to 28, the Jeffs were over-powered by a strong Alexandria five, 36 to 25.

BLOXSOM BUILDS EFFECTIVE TEAM

With only one letterman returning from last year's squad, Coach Bloxsom deserves a great deal of credit for the building of an effective team. They proved to be hot competition for all their opponents. The greatest asset was the ability to work together well. Scoring was fairly evenly distributed among the players, with Grady Whitehorne registering highest with 158.

Another 2-Pointer for T.-J.

PHILLIPS AND WHITEHORNE HONORED

Captain Don Phillips and high-scorer, Grady Whitehorne, won first-string berths on the all-city, all-district, and all-state selections. Doyle and Larus also received high praises for their achievements.

WHITEHORNE TO LEAD '47-'48 TEAM

Next year's team will be built around letterman and Captain Grady Whitehorne. On hand, also, will be several reserves who either saw quite a bit of action this year or showed promise of development. Delmer Sylvia, a dead shot in the coffin corner, will also be back to aid the Jeffs.

BASKETBALL—VARSITY, 1947

The Red and White Sextette defeated the Petersburg Wavelets by a score of 33 to 24. Low Sophomore Betty Palmore led the scoring with 15 points. • The Varsity defeated a less experienced St. Gertrude's team, 34-17. Our guards made an excellent showing throughout the entire game. • Suffering its first setback of the season, the team lost to a smooth Waynesboro sextette by a score of 35-33. • Tee-Jay's guards, Carole Sachs, Jean Ridenour, Helene Lake, and Carolyn Jones, limited the

Hopewell femmes to 21 points. Tee-Jay made 51 points as Alma Lake scored 30. • The Varsity played St. Joseph's Villa for the first time in several years and defeated the team 41-26. • In a close game the girls defeated Collegiate 39-36. • Playing an exceptionally good game, the Varsity defeated Petersburg 37-11. Betty Palmore showed up well by scoring 21 points. • Tee-Jay's girls defeated Jay-Em in an extremely exciting game 36-34. The guards were outstanding in teamwork during this

game. • Hopewell retaliated for its loss early in the season by defeating a hard fighting sextette 40-31. • St. Catherine's handed the Tee-Jay Varsity its third defeat of the season, hitting the loop for 52 points to the Red team's 28. • The team ended its regular schedule with a 24-21 win over Varina. Alma Lake was high scorer with 11 points. • As a result of excellent playing in the tournament, Alma Lake was selected for the All-City first team. Carole Sachs was placed on the second team.

RESERVES

The Jay-Vees began their season with a 31-24 loss at the hands of the Young Wavelets. • A more experienced Ashland team defeated the Reserves 34-23. • The girls were defeated in their third game by St. Gertrude's by a score of 33-31. • Winning its first game, the "B" team outscored Collegiate 46-12. Betty Sherman was high scorer

with 13 points. • The Cockade City reserves lost to Tee-Jay's Reserves by a 28-26 score. Betsy Williams, the high scorer with 10 points, was followed closely by Doreen Sachs, who scored nine. • Jay-Em's "B" team overwhelmed the Tee-Jay femmes by scoring 46 points to the Jeffettes' 24. • The "B" team ended the season with a 35-15 loss to St. Catherine's.

SOPHOMORES

The Little Red team, which played nine games, was victorious in two encounters with Chandler and Hill, and also defeated St. Gertrude's and Binford once. Bainbridge and Binford won one game each from the Baby Red team. A tie was the result of a game with Westhampton Junior High. Betsy Ross, the outstanding forward throughout the entire season, was high scorer in a large percentage of the games.

BASEBALL, 1947

The 1947 stickmen began the season by losing to Hopewell 5-3, but they topped Hopewell 11-5 in their second game. The Jeffs lost to Benedictine twice; the first game was 10-2 and the second game 11-9. The Red Team downed John Marshall 8-3 in their first game, which was played on Shawen Field. Later, on April 29, the stickmen ran away with the Saint Christopher's team 11-1, but on May 6 they were defeated by the Saints, 3-2, at Saint Christopher's. Although they played seven games, they won only two; but they did their best, and finally won the Central District Championship by defeating John Marshall 13-7 on Friday, May 16, at Shockoe Field.

First Row (left to right): DuYal, Wallace, Hood, Co-captain D. Phillips, Cheatham, Donati, Clark. Second Row: Chumbley, Ketchie, Hall, Rosenbaum, Willis, Dillard, Phillips, B., Leach. Third Row: Manager Houston, Mesco, Moore, Moughamian, S., Co-captain Moughamian, H., Manager Feitig, Coach Spud Bloxsom.

TRACK, 1947

The track team, under the direction of Mr. George Gonda, the Jeffs' new coach, had a very successful season. On Friday, February 21, the Jeff cindermen won the Sportsman's Club Indoor Meet at the Armory with 35 points, and John Marshall took second place with 33 points. In their first dual meet the cindermen defeated Lynchburg $69^{1}/_{2}$ - $43^{1}/_{2}$, and then they downed Petersburg $86^{1}/_{2}$ - $21^{1}/_{2}$. In the Tidewater meet the Jeffs took fifth place with $14^{1}/_{2}$ points. Woodberry Forest downed our team 64-49, and George Washington of Alexandria beat us by the same score only three days later. On May the third the Jeff thinclads topped Granby High of Norfolk 60 2/3 - 52 1/3 by winning the last event, the mile relay. The team had good athletes this year and many will be back next year.

First Row (left to right): Phillips, H., Hawkins, Tutwiler, Kalman, Barnard, Richardson, Scott, Johnson, S., Lloyd, Johnson, R., Jones, Kernicklian. Second Row: Donahue, Martin, Kohler, Bagnell, Miller, Tarr, McConaghy, Whitehorne, Barrow, Mocha, Davis, J. Third Row: Cooper, Goode, Fleming, Golding, White, Damerel, Coats, Fitzgerald, Myer, Rose, Burnette. Fourth Row: Coach George Gonda, Managers Spindler and Rothschild, Coach Ed Smith.

BOYS' TENNIS, 1946-47

The 1946 Tee-Jay netmen were outstanding players. In their first encounter they overpowered Lynchburg 8-1. This was followed by a 7-2 victory over St. Christopher's. A powerful Woodberry Forest team broke the winning streak by edging out the Jeffs twice, 3-6 and 4-5. • Returning from the 1946 team were Delmer Sylvia, who was elected captain for 1947; Sam Woods, Jr.; and Bill Dulaney. These boys were the backbone of the squad. They were ably assisted by new members, who showed promise of achievement. Throughout the year these boys showed team work and sportsmanship, which are essential to a good team.

Left to right: Malcolm Kalman, Donnie Woods, Tom Wiley, Charles Fleming, Sam Woods, Jr., Captain, Delmer Sylvia, Bill Truesdale, Bill Dulaney, Booby Horner, Eugene Justice.

GIRLS' TENNIS, 1946-47

The 1946 season of the girls' varsity tennis team saw them emerge victorious from only one match in four. Losing to John Marshall, Waynesboro, and St. Catherine's, the team's only victory was over Collegiate. The schedule this year included the same matches plus one with Hill. • Girls holding letters and returning for the '47 season were Hilda Beckh, Carolyn Jones, Carol Alderman, and Elizabeth DeWolf. These girls, with Betty Palmore, Mary Ellen Reinhard, and Florence Read, newcomers, formed the two doubles combinations and furnished the three girls for singles positions.

Kneeling: Captain Elizabeth DeWolf. Standing (left to right): Mary Elizabeth Price, Manager; Carolyn Jones, Hilda Beckh, Mary Ellen Reinhard, Betty Palmore, Florence Read, and Carolyn Alderman.

Front Row (left to right): Doris Madison, Florence Read, Co-captains Fay Redford and Carole Sachs, Betty Sherman, and Nancy Alexander. Second Row: Betty Daniel, Agnes Brooks, Alma Lake, Mary Ann Henley, Helene Lake, Barbara Boyd, and Betty Terrell. Third Row: Manager Blue Bagby, Jean Lindsey, Marguerite Milburn, Janet Johnston, and Manager Camella Neal.

GIRLS' SOFTBALL, 1946-1947

As there were only two girls returning who were eligible for captaincy, the 1946 softball squad voted to have Rose Marie Sullivan and Gatewood Holland as co-captains. Because of rain, the girls had only four encounters. They suffered two defeats at the hands of the Petersburg team, but were victorious in two games with Binford Junior High School. John Marshall forfeited one game to the red team. • The 1947 team began practice early in April with Nancy Alexander, Fay Redford, Florence Read, Carole Sachs, Alma Lake, and Helene Lake among the leading candidates. Fay Redford and Carole Sachs were elected co-captains. More games were scheduled than in 1946, and it was hoped that none of the games would be rained out. The schedule included games with John Marshall, Petersburg, Hopewell, Midlothian, and St. Joseph's Villa.

Play Ball!

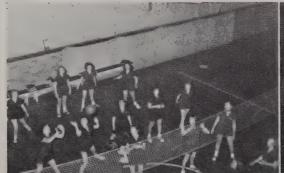

ON YOUR MARK!

GIRLS' SPORTS

In addition to the usual activities, the Girls' Athletic Department scheduled a varsity-alumnae basketball game, intramural volley ball games, intramural track meets, and ping pong games during the year. The alumnae game was highly exciting, with the varsity coming out on top, 29-28. A large number of girls showed up after school for volley ball and they had loads of fun. The track meet was scheduled for the last of May. Last year at the meet Helene Lake, Mary Beulah Word, and Caroline Hersman broke Tee-Jay records. Alma Lake, Anne Hatcher, and Florence Read were outstanding during the spring months in ping pong. This delightful game was played at Tee-Jay for the first time and was very successful.

TWO HANDS! Varsity Alumnae Between Halves

The cheerleaders have once again followed the "Big Red Team" through the year. They have been in there yelling even when things did not look too good. They have cheered at every game, traveling to Roanoke, Norfolk, Petersburg, and Alexandria. Heading the snappy group this year was Teddy Adams, who was assisted by Dootsie Corr, Gina Herrink, A. J. Noble, Marie Hubbard, Ronnie Thornton, Beverly Horsley, Johnny Massey, Charlotte Herrink, and Sonny Fowlkes. • Next year the "Big Red Team" will be led to victory with plenty of peppy cheering with Joyce Hazelwood and Forrest Tignor leading.

First Row (left to right): Ted Adams, Ronnie Thornton, Johnny Massey, A. J. Noble, Floyd Fowlkes. Second Row: Mary Corr, Marie Hubbard, Beverly Horsley, Virginia Herrink, Charlotte Herrink.

HAIL, HAIL, THE GANG'S ALL HERE!

The highlight of the year in student participation work was the state convention of the Student Cooperative Association which was held at Thomas Jefferson High School on November 1 and 2. Over six hundred delegates, representing the most outstanding students from schools all over the state, attended the convention. Hamp Davis, who is state president of the association, presided over the three general meetings which were of an inspirational nature. Sixteen panel discussions on problems of youth were all led by the students. • The delegates were entertained at a banquet and a dance. • Hundreds of Tee-Jay students organized committees to provide for the comfort and pleasure of the delegates. Because of the outstanding work of the Senators, House members and members of the committees, Tee-Jay has become known all over the state for its courteous and capable students.

HOW TO MAKE FRIENDS . . . AND KEEP THEM

- 1. Keep skid chains on your tongue; always say less than you think. Cultivate a low, persuasive voice. How you say it often counts for more than what you say.
- 2. Make promises sparingly, and keep them faithfully, no matter what it costs you.
- 3. Never let an opportunity pass to say a kind and encouraging thing to or about somebody. Praise good work done, regardless of who did it. If criticism is merited, criticize helpfully, never spitefully.
- 4. Be interested in others; interested in their pursuits, their welfare, their homes and families. Make merry with those who rejoice, and mourn with those who weep. Let every one you meet, however humble, feel that you regard him as a person of importance.
- 5. Be cheerful. Keep the corners of your mouth turned up. Hide your pains, worries and disappointments under a pleasant smile. Laugh at good stories, and learn to tell them.
- 6. Preserve an open mind on all debatable questions. Discuss, but don't argue. It is a mark of superior minds to disagree and yet be friendly.
- 7. Let your virtues, if you have any, speak for themselves, and refuse to talk of another's vices. Discourage gossip, and make it a rule to say nothing of another unless it is something good.
- 8. Be careful of others' feelings. Wit and humor at the other fellow's expense are rarely worth the effort, and may hurt where least expected.
- 9. Pay no attention to ill-natured remarks about you. Simply live so nobody will believe them. Disordered nerves and poor digestion are common causes of backbiting.
- 10. Don't be too anxious about getting just dues. Do your work, be patient, keep your disposition sweet, forget self, and you will be respected and rewarded.

The Mark of a Champion!

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.
